

ALICE'S WONDER SPRAY

All-purpose household cleaner (disinfectant)

Cleans refrigerators, walls, tile, showers, toilets, outside chairs, doors, cabinets, drawers, door knobs, inside trash cans, etc...

Ingredients: makes 24 oz.

4 Tbs vinegar (white distilled)

3 ¼ cups warm filtered water

¼ cup liquid soap (unscented)

15 drops lemon essential oil

15 drops lavender essential oil

15 drops tea tree oil (optional for making it a disinfectant)

Directions:

Mix all ingredients in a large trigger spray bottle.

Shake well before each use.

NOTE:

For a mild abrasion:

- Sprinkle baking soda and/or table salt first
- Spray it with Alice's Wonder Spray (*fizzing is a normal reaction between the baking soda and the vinegar*)
- Scrub the area.
- Wipe with water.
