

## **NON-TOXIC HOUSEHOLD CLEANERS**

### ***Mirrors/Glass:***

Hydrogen Peroxide or Rubbing Alcohol

### ***Bathroom – Shower/Bathtub/Toilet/Floor:***

Alice's Wonder Spray (see the attachment titled Homemade General Purpose Cleaner). Sprinkle Baking Soda or Table Salt first when scouring is needed.

### ***Linoleum Floors/Counter Tops/General Cleaning:***

Water with Vinegar (4-1 ratio) with drops of Essential Oil (like lavender and tea tree oil)

### ***Wood Floors/Wood Furniture:***

Vinegar with drops of Olive Oil (to keep moisture in wood) and drops of your favorite Essential Oil (lemon if you want a Pledge-like smell)

### ***Clogged Drains:***

Pour one cup Baking Soda followed by one cup Vinegar into drain. Let it foam and remain there for 30-60 minutes. Flush drain with 1 gallon of boiling water. Works great!
