

One True Love

*Lord, it was Your love that came first.
It's the love for which we all thirst.
It's the love that will always last.*

*Yours is Agape love... the love no one can steal.
The only love that is real... Your love can heal.*

*In a world of lonely hearts
and broken hearts on the mend,
it's comforting to know the love You send
will never end.*

*Yours is the selfless love... the only love that's pure.
The only love that is sure... Your love can cure.*

*They say true love comes once in a lifetime.
Your love comes true and lasts for a lifetime...*

*Yours is the perfect love... the everlasting love.
Yours is the sweetest love...
The "One True Love" is...*

Yours.

"... God is love." 1 John 4:16
